## Plant. Grow. Thrive.

The Nutrilite™ philosophy is simple – Plant. Grow. Thrive! From our organic farms to your family, we believe in a bigger, brighter world of nutrition.

Our vitamins and supplements – in tablets, gummies, powders and more – are crafted utilizing Earth's best nutrients. We're committed to harnessing the power, purity and richness of nature – From Seed to Supplement to You. We track, trace and tag every seed, every plant and every ingredient; then document, review and check every detail along the way so you'll know our products are safe and effective.

Nutrilite™ supplements provide the nourishment behind your daily ritual, helping you become your best self and meet your top needs so you can help others do the same. Because life isn't about surviving, it's about thriving. You. Your Family. And the entire Planet.

# From our farms to your family.

Nutrilité™ Organics products are certified USDA Organic and include wholesome plant nutrients from our farms and partner farms.

Grown and nurtured by hands that care just as much as you do to bring to life something bigger for you and your family.

Nutrilité™ is the first and only global vitamin and dietary supplement brand with a USDA organic product line to grow, harvest and process plants on our very own certified organic farms.\*

# Clear the air – room by room.

Atmosphere™ Air Treatment Systems remove odors, allergens and other contaminants from the air passing through the unit so your family can breathe cleaner air.

## Advanced filtration removes what you can't see.

Both our Atmosphere Sky™ and Atmosphere Mini™ units use three-stage filtration systems to effectively target contaminants as small as 0.0024 microns and eliminate them from the air passing through the unit.

### 1. PRE-FILTER

Captures large, airborne fibers and hair.

### 2. HEPA FILTER

Removes small particles such as allergens, bacteria, mold, viruses, fungi and asbestos.

### 3. CARBON FILTER

Reduces formaldehyde, dioxin and ozone, as well as odors from smoking, cooking and pets.

## CONNECTED CONTROL

Manage, monitor and track your room air quality from your phone with the Atmosphere™ Connect app.
